## TSU observes IP awareness month

Tarlac State University joined the nation in celebrating the 2021 National Intellectual Property Month, through the Technology Development, Transfer and Commercialization Office.

### Foundation Course on IP

TDTCO conducted a webinar, “Foundation Course on IP for Faculty Members”, the first of the series of webinars prepared for the month-long celebration. It was attended by 50 faculty members from different colleges of the University and was graced by the presence of VP for Research and Extension Services, Dr. Armee N. Rosel.

Discussed were the basics of Intellectual Property Rights (IPR) and the Technology Transfer and Commercialization (TTC) process of the University by Engr. Emir Lenard S.F. Sicangco, TDTCO Director and Ms. Francelle L. Calub, TTC Unit Head, respectively.

### Patent Search and Claims Drafting Workshop

To continue the university-wide celebration of the National Intellectual Property Month, Tarlac State University (TSU), through the Technology Development, Transfer and Commercialization Office (TDTCO), commenced its 3-day workshop on Patent Search and Claims Drafting on April 12, 2021. It aims to gear up the faculty-innovators and -inventors of the University in preparation and application of their inventions and innovations for patent.

Dr. Adrian Bon B. Santiago, an established inventor and innovator, imparted his invaluable knowledge on intellectual property rights and patent search and drafting to the participants from different colleges of the University, namely, College of Science, College of Teacher Education, College of Business and Accountancy, and College of Engineering and Technology.

Through the guidance of Dr. Santiago, Engr. Emir Lenard SF. Sicangco, and Dr. Lea B. Milan, Director of Food Technology and Research Center, the participants identified their respective priority project to work on in the duration of the 3-day workshop. Each participant had to work on the said project to come up with a patent draft ready for its application. Present also were Dr. Armee N. Rosel, Vice President for Research and Extension Services, Dr. Edjie M. Delos Reyes, Director of the University Research Office, and Dr. Dennis V. Cantre, RD Lead for TSU.

On the workshop's second day, held on April 13, 2021, Dr. Adrian Bon B. Santiago, proceeded in discussing the technical know-hows and techniques of patent search. The attendees, meanwhile, actively participated by presenting their prior activity on conducting a patent search and by providing a comprehensive presentation of their inventions and innovations. The afternoon session is given to the participants for the accomplishment of their activity for intensive patent search related to their works.

The three-day workshop has concluded on April 20, 2021.

## TDTCO, LMS team up for Webinar on Copyright and Related Rights

April 20, 2021 – The Technology Development, Transfer and Commercialization Office, in cooperation with Library Management and Services, conducted a webinar on Copyright and Related Rights for the librarians of the University.

The webinar focused on the pertinent copyright provisions of the Intellectual Property Code of the Philippines in relation to the function of the LMS of the University.

The webinar is conducted on the purpose of capacity building of the University's LMS in providing adequate assistance for the undergraduate and graduate library users of the University in the new normal without compromising the copyrights and related rights of the owners and authors of the various materials offered in our libraries.

## TDTCO, Linguistic Society conducts Foundation Course on IP: Copyright

Technology Development, Transfer and Commercialization Office (TDTCO) partners with the Linguistic Society in conveying awareness on intellectual property to 90 student members of the latter with Ms. Francelle L. Calub, Technology Transfer and Commercialization Unit Head, as the resource speaker.

The discussion of the webinar was centered particularly on copyrights as the participants are dealing with literary and artistic works being artists themselves. Ms. Calub provided points on how to acquire copyrights, their types, ways of infringement, and penalties therefor.

The webinar is in line with the celebration of the National Intellectual Property Month 2021.

## TDTCO launches album, MUSIKATHA 1.0, awards MUSIKATHA 2.0 winners

On October 15, 2021, together with the celebration of TSU's 115th founding anniversary and 32nd charter anniversary, TDTCO held the MUSIKATHA 2.0: Padayon Awards Night and MUSIKATHA 1.0: Buhay TSU Album Launch on Facebook Live.

The MUSIKATHA Song Writing Competition was birthed out of the desire in 2019 to foster a culture of intellectual property protection of creative works. This competition encourage students to write songs, as well as to get them professional feedback on their work.

Entailing 6 Tracks, MUSIKATHA 1.0: Buhay TSU, amplifies the collegiate life inside the University. Jerich Ralph Lobo, Guiane Pasetes, and Leslie Mae Bognot played their winning masterpieces during the launch of the album

This pandemic has exposed us not only to physical but also to emotional and moral dangers. This 2nd Musikatha Songwriting Competition aimed to showcase the talents of the TSUians by creatively empowering one another through wonderfully written and performed songs.

Dr. Armee N. Rosel, VP Research and Extension, graced the said event with her welcome remarks. Six performances of MUSIKATHA 2.0 were played and critiqued by the judges in the said event. The panel of judges included Angel Simbol of Brown Outfit and The Reserves, Oliver Romblon of Tanya Markova, and Jhaye Cura of Mernuts.

Guiane Pasetes of College of Arts and Social Sciences bagged the 1st place with her song, “The Ones That Remain. Ma Juliana Ysabel Palasigue’s “Sambit” and Yogene Halili’s “Padayon” won the 2nd and 3rd award, respectively.

## TSU congratulates Dr. Felicitas A. Quilondrino on the registration of her Utility Models

Additional four technologies of Tarlac State University authored by Dr. Felicitas A. Quilondrino of College of Teacher Education were approved as utility models by the Intellectual Property of the Philippines (IPOP/PHL).
